

Tentative Schedule

Chapman University Argyros School MBA in Prague

All courses in the program will be taught in a weekend format consisting of Friday evening, all day Saturday and a portion of Sunday. Four-credit courses will be taught over three consecutive weekends, the three-credit elective course will be taught on two consecutive weekends and the one-credit 'Strategies for Competitive Advantage' course will be taught over one weekend.

*Elective courses are to be determined. Students will be given a list of courses from which to choose, and the students will then determine, through a vote, which courses will be offered. One elective course will be taught to the entire cohort during each time period listed under the heading of 'Elective'.
